I am. Flying out on Tuesday morning. On AA.

That will get me there around noon. And that is when ER is planning on having someone there to start accepting equipment.

The City rep Cheryn is planning on coming out then as well.

Weston will be coming over from BR that morning.

I have a room at the Homewood suites on Severn. Near the causeway. Everything downtown and close had valet parking for more than the car was worth.

I'm not sure how long the days will be. And we may be down with the excavation in a week. Disposal and restoration to follow.
